

Abuja bomb blast, Governor Mimiko commiserates with victims families, calls for apprehension of culprits

The [Ondo State Governor](#), Dr Olusegun Mimiko [on Saturday](#) condemned the [bomb blast](#) on New year eve which rocked the Mogadishu Barracks in Abuja and its attendant toll describing it as a dastardly act, reprehensible and an antithesis of what we stood for as a people of this nation Governor Mimiko in a Statement issued by his Chief Press Secretary, Mr Kolawole Olabisi in Akure on New Year day described the latest [bomb blast](#) as one too many lamenting the wanton waste of lives of innocent souls.

"it is a sad commentary on our nation that out of the blues, we have become a country where some unscrupulous people now throw bombs at will to settle scores and create panic. This sad and unacceptable development is anti all that we are known for and those behind this nefarious act must be brought to book and punished as they are enemies of the country. I want to join Mr. President in his call on the security agencies to fish out those behind this reprehensible and shameful act.

"I want to sympathize with the families of those who lost their lives and the injured as well as those who lost their properties to the ignoble act," Mimiko stated
