

Mimiko reiterates commitment to Ondo's development

Ondo State Governor, Dr Olusegun Mimiko at the weekend make a solemn pledge to continue to fear the Lord and take decisions that would be in the best interest of the majority of the people of the state. Specifically, Mimiko who assured that he would not wavered in his avowed determination to make Ondo State a model; one that would be the cynosure of all eyes in the nation pledged that all the on-going people's oriented projects being embarked upon by his administration would be completed to bring smiles to the faces of the people so as to justify the confidence reposed in the administration.

The Governor stated this at Ondo, the headquarters of Ondo West Local Government Area of the State during a thanksgiving and reception programme in honour of Dr. Joseph Akinlaja, a member of the Federal House of Representatives, representing Ondo East/ Ondo West Federal Constituency who got elected in the last general elections under the platform of the Labour Party (LP).

Dr Mimiko noted that the Labour Party government in the state has turned around the standard of living of the people through the provision of infrastructure, enhancing the qualities of healthcare and education, transforming the rural communities by embarking on massive quick-win projects that have now turn around the landscape of these hitherto neglected communities by successive administrations in the State. He, however, commended the leadership quality and doggedness of Akinlaja right from his tenure as a labour leader in the nation's oil and gas industry to his present political leadership.

He added that Akinlaja's role during the struggle for the restoration of the people's mandate in Ondo state could not be underestimated and described him as a confidant and courageous politician. He, therefore, urged him to continue to protect the interest of his people in his new position as a federal law maker. In his speech, Dr Joseph Akinlaja thanked the people for their support throughout the struggle and vowed to always take decisions that would be in their best interest.
