

Ondo Demolishes 92 Houses for Motor Park

By Dayo Johnson, *Vanguard*.

Akure—NINETY TWO mud houses have been demolished in Akure, the Ondo State capital for the construction of N300 million Ultral Modern Motor Park in the state capital.

Consequently, the state government has paid compensation to owners of the houses.

Commissioner for Works and Infrastructure, Mr. Gboye Adegbenro said while inspecting progress of various construction works in Akure that the aim of the motor park was to decongest traffic on major streets of the state capital

Adegbenro said that the car park project had achieved 70 per cent completion.

The project according to him will be inaugurated as part of activities marking the third anniversary of the Governor Olusegun Mimiko administration adding that it will have a clinic, a police post, modern boreholes and fire service station among others.
