

Construction of the Proposed Senate Building at Adekunle Ajasin University, Akungba Akoko

Adekunle Ajasin University

Akungba-Akoko (AAUA) Ondo State, Nigeria

Invitation to tender for the construction of the proposed Senate Building at Adekunle Ajasin University, Akungba Akoko, Ondo State, Nigeria.

Introduction

Adekunle Ajasin University intends to execute the above project to provide befitting accommodation for its principal administrative and management functions. Consequently, the University intends to choose a building Contractor for the construction works through a competitive tender. Adekunle Ajasin University hereby invites sealed, tenders from eligible and qualified construction companies for the Project, which shall comprise a 5 Storey Office Block, Electrical intake Infrastructure, Hard and Soft Landscaping.

Tender Procedure

The Tenderers are required to prepare and submit their tenders in three separate parts, namely:

- i. Technical Tender
- ii. Commercial Tender
- iii. Bid Bond of 2% of the tender figure from a reputable bank

Bids shall be prepared and submitted in accordance with the aforementioned Tender Documents (2 above)

In the event of a contract award, bidder will be required to enter into a formal Contract Agreement in the form of and based on the proposed Contract Documents. Only Commercial Tenders of bidden who meet the minimum technical criteria will be considered.

Minimum Qualification Criteria

This invitation to tender is based on meeting prescribed minimum criteria: company's experience, personnel & equipment capabilities and financial position, In order to qualify tenderers must therefore have:

- Average annual turnover as prime contractor (defined as billing for works progress and completed) over the last three years of N1,500,000,000.00
- Verifiable successful experience as prime contractor in the execution of at least two projects of a nature comparable to the Project, within the last three years.
- In, or immediately available for employment, a construction project manager with an engineering or related professional qualification with a minimum of fifteen years' experience in works of an equivalent nature and volume, including no less than three-years as manager.
- Assured access (through hire, lease, purchase agreement or other means) to key items of equipment in full working-order essential for the successful execution of the Project, and
- Available, or demonstrable access to, liquid assets, unencumbered real assets, lines of credit and other financial means sufficient to meet the construction cash flow for a period of three months, estimated at N300, 000, 000.00 net of the company's commitments for other contracts.

Companies which do not meet the above minimum qualification requirements need not respond to this invitation to tender.

- AAUA reserves the right to waive minor deviations if, in its opinion, they do not materially affect the capability of a company to perform the contract.
